

# Equip Summerschool 2020

## *dates:*

Sun 21.6.2020 4p.m– Wed 24.6.2020 1 p.m

## *Content/Aim:*

For junior doctors going to qualify as GPs as well as researchers in Family Practice/  
Health Services Research

The Summer School aims to:

- give an overview into different aspects of quality in primary care
- learn about the situation in other European countries
- join inspiring workshops by (international) researchers on what quality might be
- possibility to develop/discuss an individual project on quality in your practice
- have a few days in a great atmosphere

## *Teacher:*

Adrian Rohrbasser (Switzerland)

Lena Ansmann (Germany)

Piet Vanden Bussche (Belgium)

Bettina Engel (Germany)

Guido Schmiemann (Germany)
